

Purpose in Pandemics

Episode 2: Be Aware Small Group Questions

1. The Dark Ages proved to be a time when people had to fight to find the truth. Do you feel like this is true today as well? Why or why not?
2. The video stated that we have to *know* the Word of God in order to properly live by it. How has knowing the Word of God enabled you to live it out even when it wasn't easy? Give specific examples if you can think of them.
3. What is a particular verse or passage that you have tightly held onto during this pandemic to provide you with some perspective or encouragement?
4. How has this season of isolation inspired you to connect to His word? If it hasn't, why do you think that is?
5. By knowing God's Word, we begin to understand God's heart and His will for our lives and in different situations. So many of the questions we ask God can be found in Scripture! How has Scripture helped you determine God's direction for you during a difficult time?
