## PASTOR'S PONDERINGS

### TOM WARD

*Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour. —1 Peter 5:8*

When I was in the hospital in Hawaii, I read again of the shocking events which led up to the destruction of the United States fleet at Pearl Harbor. On that fateful day of December 7, 1941, the Japanese attacked. We know now that that attack was invited by our failure to be always vigilant. The result was the destruction of our fleet-the cause was tragic indifference. When comfort and ease and pleasure are put ahead of duty and conviction, progress is always set back.

What makes us Christians shrug our shoulders when we ought to be flexing our muscles? What makes us apathetic in a day when there are loads to lift, a world to be won, and captives to be set free? Why are so many bored, when the times demand action? Christ told us that in the last days there would be an insipid attitude toward life.

**Today's Prayer:** Take away the apathy, Father, that so often blinds my vision.
